17TH JUNE 2026

Dear beloved friend, Rev. Tobias, and the brethren of your fellowship,

I am so excited to get this chance to talk to you for the first time. I am

blessed to be chosen by you, and I give all thanks to God.

How are you and your families doing? I was overjoyed when I heard the news that you are my ROTOM friends now. Thank you for choosing me and for generously offering to support and care for me.

My name is Latifa, and I am a widow. My home is located on a hill in Wacheba village. I live with my 2 daughters, Gertrude, aged 50, and

Latensia, 40 years old, and my grandchildren Joseph, Immaculate, and Macklet. Joseph is 11 years old in primary 3, and Macklet is 15 years old in primary 7. They both study at Wacheba Primary School. Immaculate is 20 years in senior 5. She is in a boarding school in Ntungamo district, and

she only comes back home during the school holidays. Together we take care of each other.

I hope your families are well. Give my love and prayers to you, your spouses, children, grandchildren, and everyone you hold dear. My daughters send their love and are excited for me.

God be with you and bless you. I will keep you in my prayers every day. Pray for us, too. It has been very hot and dry here where I live. We are praying for rain so that our gardens will recover.

What is your country like now? Is it hot like it is here now? We get a couple of months of rain every year, but it has been exceptionally hot and dry these past couple of months.

Goodbye for now. Thank you for your friendship in Christ.

Your new friend Latifa Busingye
